

Our Mission

Volunteer Christian Builders is a non-profit organization. Our mission is to advance the Lord's Kingdom by assisting Southern Baptist Churches and Encampments, especially in pioneer areas, by providing volunteer labor to construct and renovate buildings for worship and other non-profit activities.

Why Not Travel With
a Purpose?**

Join a group of Christian builders helping other Christians. Volunteers of all ages and walks of life pitch in with one common goal that binds all volunteers together, the desire to reach people with the Gospel of Jesus Christ.

Volunteer Christian Builders offer the opportunity to grow in Christ through fellowship and obedience to God's call to missions. Volunteer Christian Builders is open to everyone. No special skills are needed, only a willingness to serve.

Have a Project?

Need Some Help?

- We can take a concrete slab or a metal building with bare walls to a place ready for worship or studying God's word.
- Or we can renovate an existing building.
- Or many other variations.

You can check out our Project Guidelines on our Website at:
